Growth at Scott City!

The start of this semester was very exciting because we were given a second classroom to utilize within Scott City Elementary! We are so grateful for this new space which has allowed us to grow our program and add more children from our wait list. Thank you to the administration at Scott City Schools for supporting our program!

In these photos you can see our staff and members decorating the new classroom and making it their own!

Shout Out's!

At both of our sites you will find this board highlighting a staff member, club member, and board member of the month! This is a new tradition just started this semester and we are so excited to keep it going!

New Director Named

On February 5th we welcomed a new Executive Director to our team! His name is Allen Treece and he comes to us from Paducah, Kentucky where he previously served as the Executive Director of the Oscar Cross Boys & Girls Club. Allen has a passion for the mission of Boys & Girls Club and has been very busy getting to know the area in his first months here. We are excited to have him joining our organization!

Check Presentation

On Wednesday, March 7, 2018, the VFW Auxiliary Post 6407 visited our Scott City Site to take a tour of the program and present us with a generous donation! Our members and staff were there to accept the check and talk more about the day to day happenings at club. Our members also presented VFW Auxiliary Post 6407 with handmade cards to show appreciation for the donation!
